# CAB Direct platformu üzerinde CAB Abstracts Kullanım Kılavuzu

www.cabi.org  
KNOWLEDGE FOR LIFE

## CABI Hakkında (Common Wealth Agricultural Bureaux)

Tarım, uygulamalı yaşam bilimleri, ormancılık, insan beslenmesi, veterinerlik, tıp ve çevre konularından oluşan veri tabanıdır. Tarım ve uygulamalı yaşam bilimlerinde en yüksek sayıdaki süreli yayın koleksiyonu kapsayıp, 1910 yılından günümüze zengin bilgi içeriğine sahiptir. Bütün içerik, **CAB Direct** arayüzünden kullanıcılara sunulur.

## CABI İçerik

- 1973'den günümüze 9 milyonun üzerinde özet bilgi sunan bibliyografik bir veritabanıdır.
- 130,000'in üzerinde tam metin kayıt içerir. Yılda 10,000 yeni kayıt eklenmektedir.
- Yıllık olarak eklenen 7.000 derginin yanında kitaplar, kitap bölümleri, gri yayınlar, konferans bildirilerini de içerir.

## CABI İçerik

- Günümüz yaşam bilimlerindeki bütün sıcak konularda güçlü, güncel ve otorite içeriklere sahip ideal kaynaktır.
- İlgili bütün araştırmalara hangi biçimde veya hangi yayıncıdan sağlandığını gözetmeksizin erişim sağlar.
- Konu sınıflandırılması ve indexlemenin tamamı konu uzmanları tarafından yapılmaktadır.

## CAB Arşivinin Önemi

- Sadece **1973-1990** yılları arasındaki kayıt sayısı 2,5 milyon civarındadır. Bir kütüphane için yaklaşık 800 basılı cilt ve 55 adet rafa tekabül eder.
- Güncel öneme sahip konuların (domuz gribi, kuş gribi, iklim değişimi, vb.) derinlemesine incelenmesini sağlar.
- Zor bulunan konularda araştırma yapmak için eşsiz bir kaynaktır (Örn. Ağustos böceklerinin her 17 yılda bir U.S'de çoğalması gibi).

## CAB Arşivinin Önemi

- Yeni ortaya çıkan belirtilerin, geçmişteki kullanılan tekniklerini (organik tarım, etkisi az tarımcılık, önceki kimyasal tarım ilaçları) sağlar.
- Uzun dönem trendleri inceleme fırsatı verir (Özellikle fauna, topografi vb. konularında gelişmiş ülkelerden erken 20. yüzyıl döneminden bilgiler).
- Kanıta dayalı araştırma ve tarihsel bağlamda anahtar konumundadır.
- Öncü bilimadamlarının yeni ufuklar açan çalışmalarını gösterir (Örn. Walter & Cricks DNA çalışması, Pavlov'un şartlı koşullanma çalışması gibi).

## CAB Direct Arayüzü

The screenshot shows the CAB Direct website interface. At the top, there is a green header with the 'cabdirect' logo in white and orange, and a smaller CABI logo with 'www.cabi.org' on the right. Below the header, there are navigation links: 'About CAB Direct | Tell us what you think | Contact Us'. A main navigation bar contains 'Home', 'Help', and 'Thesaurus' buttons. The central content area features the heading 'Gateway to the world's applied life sciences' and a paragraph describing CAB Direct as a source of reference in applied life sciences, incorporating CAB Abstracts and Global Health. A search bar with the placeholder 'enter search terms' and a green 'search' button is present, along with a link to 'Advanced search'. On the left, there is a sidebar with 'Subscription Information' and a 'Log into CAB Direct' link. On the right, an orange box provides statistics: 'About CAB Direct', 'No. of records: 9.906.835', 'Last Update: Ağu 10 2012', and 'Over 9 million bibliographic and full text applied life science articles hand picked by our team of experts updated weekly.' At the bottom right, there is a logo for 'STM-INFO STM Bilgi Hizmetleri ve Yayıncılık San. Tic. Ltd. Şti.'.

## About CAB Thesaurus

The CAB Thesaurus is the essential search tool for all users of the CAB ABSTRACTS™ and Global Health databases and related products. The CAB Thesaurus is not only an invaluable aid for database users but it has many potential uses by individuals and organizations indexing their own information resources for both internal use and on the Internet

Its strengths include:

- Controlled vocabulary that has been in constant use since 1983
- Regularly updated (current version released January 2009)
- Broad coverage of pure and applied life sciences, technology and social sciences
- Approximately 96,000 terms, including 64,000 preferred terms and 32,000 non-preferred terms
- Specific terminology for all subjects covered
- Includes about 62,000 plant, animal and microorganism names
- Broad, narrow and related terms to help users find relevant terminology
- Cross-references from non-preferred synonyms to preferred terms
- Multi-lingual, with Spanish and Portuguese equivalents for most English terms
- American and British spelling variants
- Relevant CAS registry numbers for chemicals
- Commission notation for enzymes

## About CABI

CABI is a not-for-profit science-based development and information organization. We improve people's lives by providing information and applying scientific expertise to solve
