The scholarship awardees to students who will successfully complete or be exempt from the preparation class.

(***) Ayhan Şahenk Foundation will provide a nonrefundable scholarship 800 TL per month to each student during 4 years PhD study period if they do not have any scholarship from other sources. The scholarship awardees to students who will successfully complete or be exempt from the preparation class.

(****) Optional foreign language preparatory programme is implemented. (Even if the graduate student fails in optional foreign language programme, the graduate student may begin to the graduate programme that he or she is registered.)

Documents Required for Application

1. Application Form,
2. Certified copy of undergraduate or graduate diploma provided by Foreign Delegations,
3. Certified copy of transcript,

4. Document showing the result of ALES (The Entrance Examination for Academic Staff and Graduate Studies) or GRE or GMAT, (if any),
5. Document showing competency in foreign language (for doctoral degree applicants).

Conditions Required for Application

1. International student candidates applying PhD programs are required to get at least 55 points out of 100 in YDS (The Foreign Language Examination) in any of English, French or German languages or an equivalent score in other valid examinations (UDS, KPDS, TOEFL, IELTS, CEFLE, ZDF) adopted by the Interuniversity Board.
2. Applicants who do not have any of the documents showing the result of ALES, GRE or GMAT are required to take ALES until they have completed their graduate studies in the case that they are accepted to the programs.

Evaluation of Applications

Executive Board of the related Department evaluates the application files of candidates applying to the graduate programs of the Institute as a whole and admission of candidates is finalized by the resolution/decision of Executive Board of related Institute.

Those who apply to graduate studies by documenting scholarship of Republic of Turkey or their own states shall be accepted to the graduate programs other than the quota as per the decision of the Executive Board of the Institute.

Those who apply to graduate studies on the basis of bilateral agreements in which Niğde University is a party shall be accepted to the graduate programs other than the quota pursuant to the opinion of the related Head of Department, decision of the Executive Board of the Institute and approval of the Senate.

Those who are not exempt as bilateral agreements shall be obliged to pay the fees specified by the Executive Board of the University within the framework of the Cabinet decision.

Niğde University Turkish Language Teaching Application and Research Centre (NUTOMER) evaluates whether candidates are competent in Turkish to conduct graduate studies except for those who have a certificate granted by TOMER showing their competency in Turkish “level A or B” and graduated from a higher education institute in Turkey. Those who do not have Turkish competency may continue their graduate studies for the following semester on condition that they receive level A or B in the examinations after participating in the Turkish language courses conducted by NUTOMER. Candidates are granted with a period of maximum two semesters to learn Turkish. Those who are not successful at the end of this period are dismissed from the Institute.
