(\*) Foreign Language Preparatory program is mandatory.(The students admitted to the graduate programs with a mandatory foreign language preparatory program are subject to the terms of Regulation of Niğde University School of Foreign Languages on Education-Training and Exam.)

**TERMS of TRANSFER**

1. The student should successfully complete at least one semester at a Higher Education Institution abroad and fulfill the requirements of the program s/he will be transferred.
2. Applicants who do not have any of the documents showing the result of ALES, GRE or GMAT are required to take ALES until they have completed their graduate studies in the case that they are accepted to the programs.
3. International student candidates applying PhD programs are required to get at least 55 points out of 100 in YDS (The Foreign Language Examination) in any of English, French, or German languages or an equivalent score in other valid examinations (UDS, KPDS, TOEFL, IELTS, CEFLE, ZDF) adopted by the Interuniversity Board.
4. The student should be proficient in Turkish in order to continue his/her education at Niğde University Graduate School of Natural and Applied Science. Niğde University Turkish Language Teaching Application and Research Centre (NUTOMER) evaluates whether candidates are competent in Turkish to conduct graduate studies except for those who have a certificate granted by TOMER showing their competency in Turkish “level A or B” and graduated from a higher education institute in Turkey. Those who do not have Turkish competency may continue their graduate studies for the following semester on condition that they receive level A or B in the examinations after participating in the Turkish language courses conducted by NUTOMER. Candidates are granted with a period of maximum two semesters to learn Turkish. Those who are not successful at the end of this period are dismissed from the Institute.
