- c) Foreign nationals who acquired Turkish citizenship through acquired citizenship while they were foreign nationals / dual nationals in this situation (provided that those studying in secondary [high school] institutions in Turkey have enrolled before the 2022-2023 academic year),
 - ç) Turkish nationals who completed their entire secondary education (high school) in a foreign country other than the TRNC (including those who completed their entire secondary education (high school) in Turkish schools opened under the auspices of the Ministry of National Education in a foreign country other than the TRNC),

d) TRNC nationals with GCE AL exam results who reside in the TRNC and completed their secondary education in the TRNC, those who enrolled in colleges and high schools in other countries between 2005-2010 and have GCE AL exam results as education, or those who have TRNC nationality and completed their entire secondary education (high school) in a foreign country and have TRNC-YÖS results, applications are accepted.

(2) Those who are,

a) Turkish citizens (except for those who have completed the last three years of their secondary school education in a foreign country other than TRNC),

b) TRNC nationals (except for those who have completed their entire secondary education [high school] in TRNC high schools and have GCE AL results and those who have GCE AL exam results by enrolling and studying in colleges and high schools in other countries between 2005-2010 or those who have TRNC nationality and completed their entire secondary education [high school] in a foreign country and have TRNC-YÖS results).

c) Dual nationals, one of whose nationality is TRNC (except for those who have completed their entire secondary education [high school] in TRNC high schools and have GCE AL results and those who have GCE AL exam results by enrolling and studying in colleges and high schools in other countries between 2005-2010 or those who have TRNC

nationality and completed their entire secondary education [high school] in a foreign country and have TR-YÖS results).

d) Dual citizens, one of them being TRNC (except for those who have completed their entire secondary school education in TRNC and have attended GCE AL),

e) Those who are the citizens of Republic of Turkey and study at schools which are under the constitution of embassies in Turkey and at foreign high schools in Turkey, or those with double nationalities who hold natural born citizenship of Republic of Turkey as per the provision specified in Article 7 of Turkish Citizenship Law No. 5901 “(1) A child born to a Turkish mother or through a Turkish father within the unity of marriage either in Turkey or abroad is a Turkish citizen”

f) TRNC citizens who enroll in secondary/high school education institutions in Turkey from the 2022-2023 academic year, those who have renounced their Turkish citizenship/Blue Card holders and foreign nationals (embassy schools, International private education institutions in the MOBIS system and foreigners brought to our country within the framework of the project carried out by the Ministry of National Education nationals excluded)

PART THREE

Application, Documents Required, Evaluation, Education-Training Criteria and Registration

Application

ARTICLE 9- (1) Quotas for foreign students to be admitted to the University are determined by the Senate of the University taking the opinions of relevant academic units, and are announced on the web page of Registrar’s Office (<http://www.ohu.edu.tr/oidb>) after the quota announcement on the web page of The Higher Education Council.

(2) The application shall be submitted to the Registrar’s Office on the web site between the specified dates.

Documents Required for Application

ARTICLE 10- (1) The following documents are required for application;

a) Application form for foreign student admission (accessible on the web page of our University),

b) Notarized copy of High School Diploma in English or Turkish,

c) Official Transcript: Official transcript certified by the high school directorate, documenting the courses and scores received by the applicants in high school (if not Turkish, notarized Turkish translations of the transcripts must be enclosed and submitted with the transcript).

d) Photo

e) Candidates applying to undergraduate programs can use one of the international exam, national university entrance exam, Turkey Student Admission Examination from Abroad (TR-YÖS) result documents they have. If there is a vacancy as a result of the placement process according to these exam documents, placement will be made to the vacant quotas (except for the Faculties of Medicine and Dentistry) with a high school diploma. Candidates who have SAT I (Scholastic Assessment Test) exam result certificates can apply to the Faculty of Medicine and Faculty of Dentistry quotas (TABLE 1).

f) Among the exams to be used in the admission and evaluation of international students, those with the status of high school graduation exam (ABITUR, IB, GCE, TAWJIHI,

IGCSE etc.) do not have validity limitations. However, those with the status of university entrance exam (SAT, ACT, etc.) are valid for two years from the date of taking the exam

g) Removed

h) Removed

Evaluation of Applications

ARTICLE 11- (1) The evaluation and placement transactions for the International applications and other applications from abroad within the scope of International Student quotas announced and approved by Higher Education Institution are carried out by the Application Evaluation and Registration Admission Commission determined by the Senate Board of University. The applications for the applicants who do not meet the application requirements are not evaluated.

(2) The process is carried out according to the effect ratio of the exam result used in the application and the high school diploma grade. If there is a vacant quota as a result of these evaluations, students who apply with a high school diploma are evaluated.

(3) The exams that shall be applicable for the placement of the students to international student quota of the university are stated in Table 1.

(4) The evaluation for the placement of students to the international student quota of the university shall be conducted out of 100 points in total and separately according to the below stated order of priority

a) For the candidates who have International Exam result; 70% of this examination and 30% of the high school diploma grade are taken into consideration;

b) For the candidates who have National University Entrance exam result; 70% of this examination and 30% of the high school diploma grade are taken into consideration;

c) Removed.

ç) 70% of this exam and 30% of the high school graduation grade are taken into account for the candidates who have the results of the Turkish International Student Admission Examination (TR-YÖS).

(5) The grades that shall constitute the basis for placement shall be organized as 5 (five) different lists that are ranked for each evaluation in reverse numerical order. The placement to the quota shall be carried out basing on the order of priority list within the quota restrictions. In cases where the grades are equal, the ages of the candidates shall be taken into consideration. The ages shall be listed in reverse numerical order. After the final registration, the students on the waiting list may be announced for the available quota.

(6) Evaluation of the applications submitted to the Universities' departments that admit students through special skills tests shall be conducted basing on the criteria stated in application, registration and Admission guide prepared for special skills tests by the related faculty/school.

Announcement of the results and registration

ARTICLE 12- (1) Application results are announced online on the website of the University.

(2) Prospective students who are accepted to the University are sent an acceptance letter by the Rectorate.

(3) Registrations are carried out by University Student Affairs Department between the dates announced on the University website.

Necessary documents for the registration

ARTICLE 13- (1) Documents listed below are required for the registration:

a) Original copy of high school diploma and the “Certificate of Equivalence” showing that it is equivalent to the diplomas taken from Turkish high schools (this document shall be taken from the Turkish Embassy or Consulate in their countries or from the Ministry of National Education of Republic of Turkey),

b) Original copy of passport and the photocopy of its notary-certified Turkish translation,

c) Bank receipt showing that the tuition fee has been paid (at the amount announced and to the relevant bank announced),

ç) “Student Visa” to be got from their countries’ or the closest Turkish foreign missions for the students outside Turkey; and from the Provincial Directorate of Securities for students in Turkey,

d) Original copy of internationally valid certificate of competence of Turkish as Foreign Language certified by Turkish Embassy or Consulate in their countries,

f) Passport photograph taken within the last 1 year – 6 copies,

g) Original copy of transcript and its true copy in English or Turkish certified by Turkish Embassy or Consulate in their countries.

(2) Even if he/she is settled, the candidate loses his/her registration and student status in case of detection incorrect information or falsified document in application statement of candidates.

(3) Registration must be made in person by the student himself/herself. International student registration can not be accepted with the notary power of attorney.

Proficiency levels of Turkish language

ARTICLE 14- (1) Proficiency levels of Turkish language are stated below:

C1, C2 Level: Student’s level of Turkish language is adequate. Student can start receiving education.

B1, B2 Level: Student’s level of Turkish language can improve in a short span of time. Student can start receiving education, but he/she should take Turkish courses. Student must increase his/her level of proficiency of Turkish language to C1, C2 until the graduation.

A1, A2 Level: Student’s level of Turkish language is inadequate. Apart from the ones applying to programmes offering foreign language education, prospective students –after having their final registration to the programme where they are accepted – shall be granted 1-year leave of absence and shall take Turkish language courses and increase their level of this language to C1,C2 or B1,B2, then they can start their education.

(2) Level of Turkish language proficiency shall be specified through Turkish Proficiency Exam held by ÖHÜTÖMER

(3) The candidates with B1, B2 and A1, A2 levels of Turkish proficiency shall be subject to the Turkish Proficiency Exam at the end of the first week following the start of Education-Training period in fall semester.

(4) International students who will be graduating from Turkish programs must have C1, C2 level in order to graduate. For the students who are going to graduate from the programs, offering education in a foreign language, are not required to have such a level in the Turkish language. .

(5) The related committees shall resolve that the students with A1, A2 level of Turkish proficiency shall be regarded as on leave by the departments/programs they are enrolled to. Students who are considered to be on leave for one year will not be charged the tuition fee for the

second semester. Those that have attained C1, C2 or B1, B2 level of Turkish Proficiency Certificate at the end of first year should submit the certificate to the Registrar's Office before the beginning of the academic year. Those that do not submit the certificate proving C1, C2 or B1, B2 level of Turkish Proficiency at the end of first year or be successful at the Turkish Proficiency Exam conducted by ÖHÜTÖMER shall be dismissed from the University. During the added period, the students will not be charged the tuition fee.

(6) Equivalence of the Turkish proficiency certificate attained by the students from other institutions and organizations shall be determined by ÖHÜTÖMER.

Language of education and foreign language preparatory education

ARTICLE 15- (1) Language of education at our University is Turkish. Students having been accepted to the University are subject to the provisions of Niğde Ömer Halisdemir University Directive on Associate and Undergraduate Education and Training and Examination for their common compulsory English language courses at the faculties and schools, whereas they are subject to the provisions of Niğde Ömer Halisdemir University Directive on Foreign Language Preparatory Programme Education and Training and Examination.

(2) Except the Candidates studying at the departments which has the medium of instruction in foreign languages ; After receiving preparatory education, students with B1, B2 or C1, C2 Turkish language proficiency levels shall start receiving education at the programmes of admission, whereas students with A1, A2 Turkish language proficiency levels shall be granted 1-year leave of absence in order for them to increase this level.
