

NIGDE UNIVERSITY

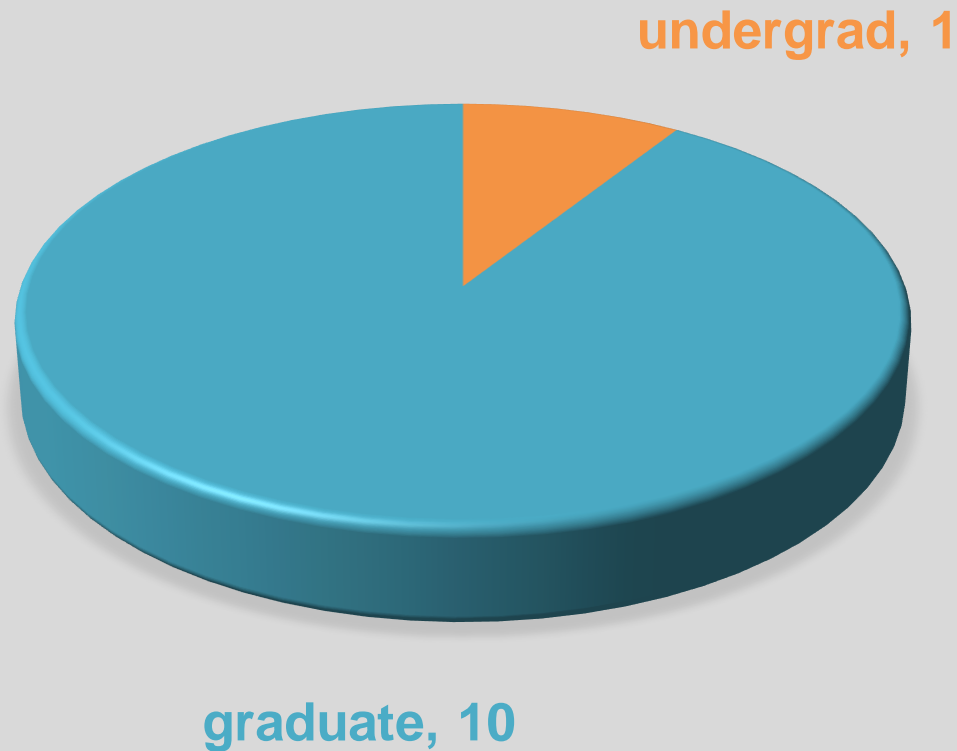

Faculty of Agricultural Sciences and Technologies (FAST)

International Student Satisfaction Survey Results

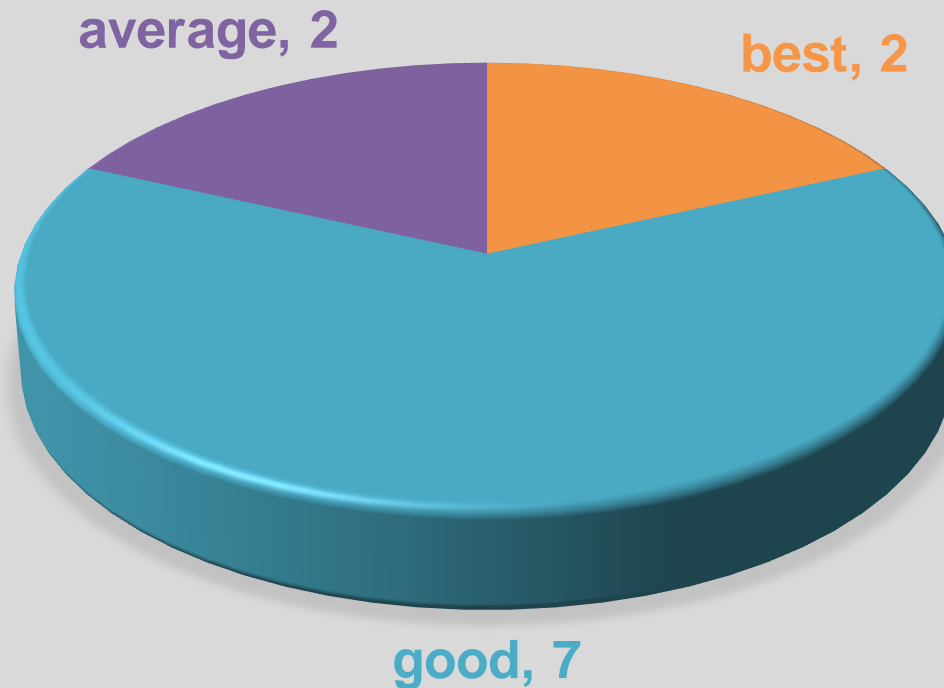

Fall 2015-2016

Degree of education

Effectiveness of teaching within your major

Helpfulness of academic advisors

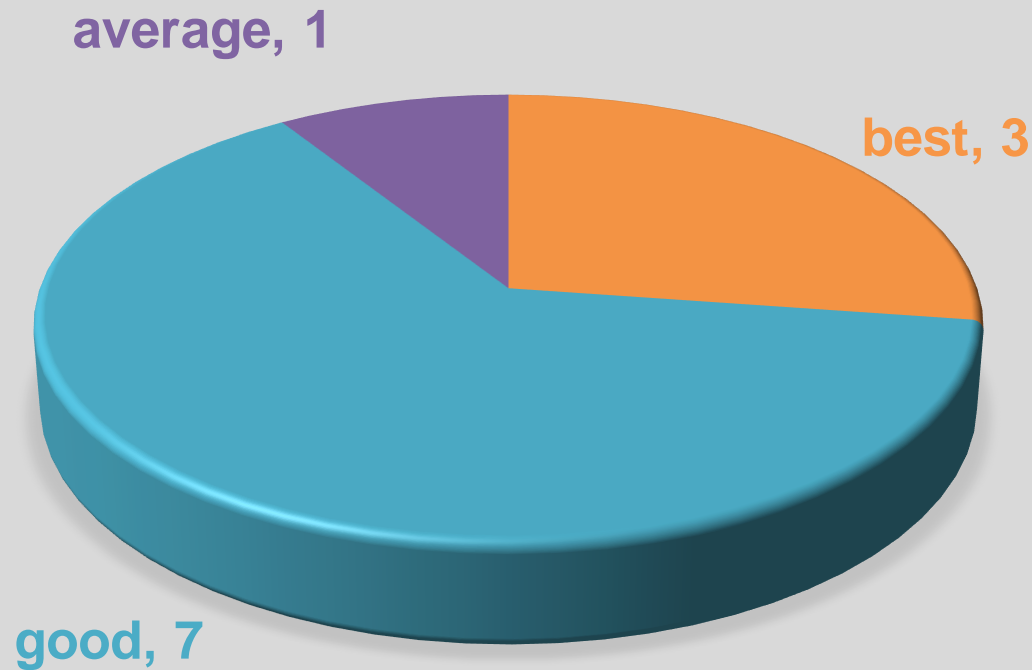

The quality of courses taken in your major or field of study

The extent to which faculty included diversity/multicultural perspectives in their class presentations, assignments, or discussions

The extent to which faculty included global perspectives in their class presentations, assignments, or discussions

Opportunity to participate in an independent research project with a faculty member

The availability of courses to make progress toward your degree

The opportunities to meet with faculty outside of the classroom

Overall satisfaction at FAST

Written Comments

1. Dorm is closed during summer.
2. Improve lab&research facility. Specific participation in research is important to build a strong research and academic collaboration.
3. Basic Turkish lectures.
4. Increase scholarship to 1000 TL for PhD students.
5. One accommodation room for having lunch
6. Decrease the lecture workload to 2 semesters for PhD students, or they should start research while taking classes.
7. Frequent academic field trips/ off-campus activities, especially to high tech labs in Turkey and abroad.
8. No book in FAST library.
9. Syllabi of many courses are not available in the website.
10. No lunch served in the dormitory at the weekends.
11. PhD should focus on research, not on coursework.
12. A tutor in the faculty for international students.
