Partner Universities

Dear colleagues,

With support of the Ministry of Education and Science of the Republic of Kazakhstan, in order to create a Central Asian regional scientific and educational hub, the Kh. Dosmukhamedov Atyrau State University invites foreign specialists to the teaching activity in the 2018-2019 academic year (the period of stay is not less than 4 weeks, maximum 4 months) in our university. Activities include lecturing and conducting consultations, research activities in the form of participation in projects, the development of a training manual or a joint article for publication with undergraduates and doctoral students, etc.

The main criteria for approval of a foreign specialist:

1. Scientists recognized in the international scientific community (with supporting documents: high citation index, joint work with famous scientists, patents, participation in international scientific projects).
2. Preference is given to experts in the field of IT technology, innovative pedagogy, the development of soft skills, and the development of entrepreneurial skills.
3. Invited foreign specialists must have the degree of MSc, MBA, MA, PhD or Doctor of Science. And also, have at least 5 years of teaching experience and at least 10 years of professional experience.
4. Invited experts should have publications in the last 3 years, in scientific and professional journals with impact factor.
5. Furthermore, specialists should carry out activities in accordance with KPI (attached in the annex).

In addition, the University incurs expenses on:

- visa expenses;
- round-trip flight (economy class).

In this regard, we ask you to consider and offer candidacies on your part.

Best regards,
Rector

A.Taltenov
